

Over the past few weeks Bishop Rozanski's office has heard some concerns over the staff changes occurring within the Catholic Education Ministries Center of Central Maryland. The Bishop is new to the Central Maryland region and would like to understand better the role that this center has played in parish life.

Bishop Rozanski will hold a brown bag listening session to understand better the role that Catholic Education Ministries Center of Central Maryland plays in the life of the parishes of Washington and Frederick Counties. Please bring your lunch and join the Bishop on Monday, October 26, 2009 at 12 noon in the parish hall at St James Parish in Boonsboro.

*Bishop Rozanski will be celebrating the parish Mass at 11:30am prior to our meeting.  
Everyone is welcome to attend that Mass. Please, join us if you can.*

If you cannot attend and have some input or concern please contact Anne Buening, Pastoral Associate to Bishop Rozanski at 410-547-5376 or [anne.buening@archbalt.org](mailto:anne.buening@archbalt.org) Thank you.
