

The CEM Center of Central Maryland presents

Creative Discipline

Leading Children to Positive Learning

April 20, 2008

1:00—3:00 PM

St. Peter Parish

16 East High Street, Hancock, MD

Let's put a very positive spin on a subject that is often seen in negative terms: discipline. Discover ways to keep learners happy, organized and involved so that discipline takes place without them even knowing it. Group role-play opportunities will troubleshoot "interesting" discipline situations that often arise in class.

Facilitated by Chris Weber
